2. PURCHASE PRICE: The Purchase Price which Purchaser shall pay to Seller for the Lot and Unit described in Paragraphs (a) and (b) above shall include the sum of:

(a) the Base Purchase Price of (\$ _____), equal to: _____ Dollars; plus

(b) the price of Change Orders including Options and Upgrades, ordered by Purchaser in accordance with the Selections Process described below; plus

(c) the price of Late Changes, if any, (as defined below) ordered by the Purchaser.

The Purchase Price shall be payable as follows:

(d) Construction Deposits: A total of ten (10%) percent of the Base Purchase Price, equal to \$ _____ is due Hinsdale Meadows, LLC, as follows:

i) Five (5%) percent upon execution of this Agreement, in the amount of \$ _____;

ii) An additional five (5%) percent, in the amount of \$ _____, within three (3) business days after Seller files for the Building Permit;

In addition to the delivery of the foregoing Construction Deposits to the Seller, within twenty-one (21) days of execution of this Purchase Agreement, the Purchaser meet with the Seller's Design Coordinator and enter into a written Schedule of Selections, Policies and Procedures in order to finalize Change Orders, including Options and Upgrades (as defined in Paragraph 6 below), involving the (i) Structural Selections Phase, (ii) the Mechanical Selections Phase and the (iii) Finish Selections Phase for the Unit. Thereafter, the agreed upon Schedule for each Phase shall be strictly followed. Change Orders shall be considered structural in nature to the extent they require the movement and/or elimination of walls, ceilings, windows, doors, or portions of the foundations, as opposed to changes in materials or finishes.

(f) Seller reserves the right to collect, and Purchaser shall be required to pay additional deposits to the extent that the sum of the deposits above is less than the total value of all Options, Upgrades, and/or Change Orders requested by Purchaser and approved by the Seller, so that the total deposits equal the cost of such options, upgrades and/or Change Orders.

(g) All of the balance of the Purchase Price, including Options, Upgrades, and Change Orders, if any, authorized by the Purchaser and Seller and closing costs, shall be paid by Purchaser at the Closing Escrow.

Change Orders shall be considered structural in nature to the extent they require the movement and/or elimination of walls, ceilings, windows, doors, or portions of the foundations, as opposed to changes in materials or finishes. All interior finishes available for selection by Purchaser must be chosen by Purchaser within seven (7) days of notice from Seller. In the event that Purchaser fails to make all or any of such selections within such period of time, Seller may complete the Residence with selections Seller deems suitable, so as to avoid delays. Seller shall have the right to substitute materials, other than specified materials, with materials of equal or better quality.

- (b) Landscaping. Seller has included landscaping in the purchase price as set forth in the Specifications attached hereto.

Such Operating Budget sets forth estimates of the operating costs, made in good faith by Seller, and nothing in this Purchase Agreement shall be deemed a warranty or guarantee, implied or otherwise, as to the actual costs that may be incurred, which may change due to material and/or labor prices, and/or other unforeseen circumstances.
 - (e) **Plat.** The Plat of subdivision (hereinafter called the "Plat"), recorded with the Declaration, as may be amended from time to time, identifying the respective lots, including the Lot being purchased by the Purchaser hereunder.

The Construction Site includes any and all areas within on or about the Development where improvements to the land or structures are staged or underway including, but not limited to, excavations, utility improvements, structures in process and material storage areas, whether or not activity is presently occurring.

Pre-Electric Walkthrough: Prior to the installation of mechanicals, including rough plumbing and rough HVAC (heating, ventilating and air conditioning), and approximately two (2) months after construction commences, you will have the opportunity to review progress of construction of the foundation and rough framing with the Seller's representative, and also to relocate or adjust the standard pre-specified locations for certain fixtures, including lights, switches, and outlets. To assure these meet with your approval, before the drywall is installed in your home, you will be contacted by the construction superintendent to set a meeting time with your Construction Superintendent at your home to review and approve the final electrical locations.

The purpose of the inspection is to verify that structural and mechanical elements are substantially in keeping with blueprints, Specifications and Change Orders. Seller may conduct the

inspection without Purchaser if Purchaser is unable to conduct the inspection within two (2) days of Seller's scheduled inspection date. An inspection report will be prepared noting any discrepancies to be addressed prior to installation of drywall.

Pre-Closing Inspection and Orientation: Approximately five (5) days prior to closing the Purchaser and Seller's Representative shall inspect the Unit being purchased hereunder. An Inspection Report shall be prepared listing all items to be completed, repaired or replaced. Seller will complete the items listed on the Inspection Report within thirty (30) days after closing, except weather related items shall be completed when weather permits and back ordered items shall be installed when received by Seller. Purchaser acknowledges that there shall be no holdbacks at closing for any items listed on the Inspection Report. Purchaser shall be responsible for any holdback required by his/her lender.

Purchaser acknowledges that the Construction Site contains many hazards, known and unknown, seen and unseen, that may cause property damage, bodily harm, injury or death. Purchaser acknowledges that Seller retains absolute authority to approve or disapprove entry upon the Construction Site. Purchaser acknowledges and accepts that entry to the Construction Site is NOT permitted: during working hours, nor prior to the Pre-Drywall Inspection, nor without appointment, nor unless accompanied by Seller's Representative, nor without proper clothing, footwear and other protective devices. - 10. CLOSING:** This sale and purchase shall be closed through an escrow with a recognized title insurance company as escrowee (herein referred to as the "Closing Escrow") in accordance with the general provisions of the usual forms of deed and money, and mortgage lenders escrow agreements then furnished and in use by recognized title insurance companies with provisions for issuance by the title insurance company of its standard form of mortgage Title Insurance Policy to the Purchaser's mortgage lender and with such special provisions inserted in the escrow agreement as may be required to conform with this Agreement. The charges for the Closing Escrow if Purchaser has no mortgage will be equally divided between the Seller and the Purchaser. The charge of the escrowee for Purchaser's mortgage lender's escrow shall be paid by the Purchaser.

It is expressly understood and agreed that such escrow shall be created at or before the closing. Seller agrees that the deed shall be delivered to such escrow, but such deed shall not be recorded unless the full balance of the purchase price shall have been paid to Seller. Upon creation of the Closing Escrow, payment of the balance of all the purchase price as provided in paragraph 2 hereof, and all other amounts which may be due in accordance with this Agreement, shall be made by deposit therein. Purchaser shall complete the closing as and when requested to do so by the Seller or his/her mortgage lender. For the purpose of this Agreement the closing date shall be the date set by the Seller by written notice to the Purchaser. The notice shall be given to the Purchaser at least ten (10) business days prior to the closing date and at the time of the closing the Unit shall be Substantially Completed.

In the event the Purchaser is unable to close on the date of closing under this Agreement, at the option of Seller, all sums due and owing to the Seller shall accrue interest at eight (8) percent per annum, beginning as of the scheduled date of closing and continuing until such sums are paid in full. The regular monthly assessment and all other pro-rations shall commence as of the date of the scheduled closing and continue until such sums are paid in full.

A Unit shall be considered "Substantially Completed" as that term is used in this Agreement, at such time as all utilities are connected and in operating condition and the Unit is ready for occupancy, except for changes ordered by Purchaser, as evidenced by a temporary or permanent Certificate of Occupancy issued by the Village of Hinsdale, Illinois, or as determined by the Architect.

- 11. OCCUPANCY:** Purchaser shall be entitled to occupancy and possession of the Unit from and after the closing as defined in paragraph 10 hereof. At closing, Seller shall deliver to the Purchaser a temporary or permanent Certificate of Occupancy, issued by the Village of Hinsdale, Illinois, for the Unit constructed by Seller and being purchased hereunder.
- 12. SPECIAL WARRANTY DEED:** At the time of the creation of the Closing Escrow, Seller shall deposit in said escrow a Special Warranty Deed conveying to the Purchaser good title to the purchased Lot as described in Paragraph 1 (a) hereof. Title shall be subject to: (a) current taxes not due and payable; (b) covenants, conditions, easements, restrictions, and building lines of record; (c) applicable zoning and building laws and ordinances; (d) Declaration and Plat described in Paragraph 8 above; (e) acts done or suffered by Purchaser; (f) rights of public and quasi-public utilities to construct, maintain and access equipment on the land as disclosed by telephone pedestals, light poles, manholes, underground sewer lines, fire hydrants, telephone lines, conduits, wires, electric vaults, pedestals and boxes, and cable TV risers; (g) terms and conditions of sanitary sewer reciprocal easement agreement and water main easements; (h) prohibition of direct driveway access to 55th Street and County Line Road; (i) sign easements; (j) development

agreements with the Village of Hinsdale; (k) terms, provisions and conditions of no further remediation letters; (l) fence encroachments; and (m) grant of emergency access to the Village of Hinsdale.

13. REAL ESTATE TAXES: The property upon which Hinsdale Meadows Subdivision is located was previously subdivided into separate lots and Property Index Numbers (“PIN’s”) were assigned thereto. Hinsdale Meadows Subdivision has been or will be resubdivided and none of the previously assigned PIN’s will match the Lots and Units currently being developed. The PIN’s for the resubdivided Property will not be created until the year following the recording of the new Plat of Subdivision. Since real estate taxes are billed a year in arrears a tax bill with a separate PIN for the Purchaser’s Unit may not be issued for two (2) or more years after the closing depending upon the time it takes the Tax Assessor to assign PIN’s to the Lots in the Development. In view of the foregoing the Seller shall administer the real estate tax prorations as set forth below and it is mutually agreed that the provision of this paragraph including subparagraphs a, b and c below shall survive the closing.

- (a) Closing consummated during the year when the Unit is legally created and no Permanent Index Number (PIN) is assigned to the Unit: Seller shall pay the applicable tax bill(s) for the Property prior to the due date. Seller shall deliver a copy of the final tax bill(s) along with proof of payment to Purchaser. Purchaser shall pay to Seller, Purchaser’s pro-rata share of such tax bill(s) as determined by Seller upon receipt of the final tax bill for each year until a separate PIN is assigned to the Unit. Purchaser shall pay to Seller the amount due within ten (10) days of notice from Seller. Since the tax bill(s) issued will be for undivided Lots encompassing multiple Units the Seller shall first prorate the tax bill among the Unit(s) to determine each Unit’s share of the undivided tax bill and will then determine the Seller’s share thereof based upon the date of closing. Purchaser shall notify the Tax Assessor’s office of the name of the owner of record after the closing and after a specific PIN is assigned to the individual Unit.
- (b) Closing consummated when the Unit has been assigned a specific Permanent Index Number (PIN): Purchaser shall pay the tax bill for the Unit for the year of the closing prior to the due date. Purchaser shall remit a copy of the final tax bill along with proof of payment to Seller. Seller shall pay to Purchaser, Seller’s prorata share of said taxes. Seller’s prorata share of taxes shall be computed for the period commencing on January 1 of the year of closing and ending on the date of closing. Seller shall remit payment to Purchaser within thirty (30) days after receipt of written notice from Purchaser.
- (c) Failure by Purchaser to pay taxes: In the event Purchaser fails to reimburse the Seller for the Purchaser’s proportionate share of real estate taxes allocated to the Unit by the Seller, when due, it is hereby mutually agreed that the Seller may, upon five (5) days prior written notice to the Purchaser at the address of the Unit, which notice may be delivered personally, or shall be presumed to have been received by Owner three (3) business days after mailing in the United States Mail from a location with regular mail pick-up, by certified or registered mail return receipt requested, record a lien against the Unit in the Office of the Cook County Recorder of Deeds for the unpaid taxes due Seller. Seller shall be entitled to charge the Purchaser for its attorney’s fees and interest on the amount due from the date of recording until paid, at the statutory judgment interest rate. A copy of the recorded lien shall be mailed to the Purchaser at the address of the Unit within fourteen (14) days after it is recorded.

14. TITLE POLICY: Seller shall furnish to Purchaser a customary form of extended coverage owner’s title insurance policy issued by a recognized title insurance company selected by the Seller in the amount of the purchase price, showing title in Purchaser, subject only to the matters which this sale is subject by the terms hereof and standard objections contained in owner’s title insurance policies issued by the title insurance company, and any matter created or caused by Purchaser.

15. DEFAULTS: If the Purchaser shall fail to make any payments herein provided or shall fail or refuse to carry out any other material obligation required of the Purchaser under the terms of this or any supplemental agreements made a part hereof within ten (10) days after written notice from Seller, then at the option of the Seller, the Seller may terminate this Agreement, and all sums theretofore paid by Purchaser shall be paid to or retained by the Seller as liquidated damages. If, subject to the provisions of Paragraph 1 (b) hereof, the Seller fails to close within ninety (90) days after the Completion Date, through no fault of the Purchaser, the Purchaser may within five (5) days after said ninety (90) day extension, notify the Seller in writing of Purchaser’s desire to terminate this Agreement, and upon timely service of such notice on the Seller, (five (5) days) the Seller shall return the Purchaser’s Construction Deposit(s) and the Agreement shall terminate and be of no further force or effect. In the event no such notice is served upon the Seller within the time specified (five (5) days), this Agreement shall remain in full force and effect, and the closing shall proceed pursuant to Paragraph 10 hereof. Purchaser agrees that in the event of a default by the Seller the Purchaser’s sole remedy against the Seller shall be the return of the Construction Deposit and that in no event will Purchaser be entitled to recover consequential, special or punitive damages from the Seller.

16. NO ASSIGNMENT OR RECORDING: Purchaser shall not assign this Agreement or any interest therein without Seller’s prior written consent. Purchaser shall not record this Agreement or any memorandum thereof.

17. ACCEPTANCE OF DOCUMENTS: Purchaser acknowledges receipt of a copy of the Declaration of Covenants, Conditions, Easements and Restrictions recorded or to be recorded in the Office of the Recorder of Deed of Cook County, Illinois, the By-Laws, the Rules and Regulations, the Projected Operating Budget, and the Certificate of Limited Warranty, and Purchaser agrees to fully comply therewith.

 - (d) By execution of this Agreement, Purchaser acknowledges that he/she has received, read and understands the Certificate of Limited Warranty to be delivered to Purchaser at closing, and that there are no warranties of any kind made herein with respect to the construction of the Unit and Common Elements except for the limited warranties made in said Certificate of Limited Warranty.

PURCHASER ACKNOWLEDGES AND UNDERSTANDS THAT IF A DISPUTE ARISES WITH SELLER AND THE DISPUTE RESULTS IN A LAWSUIT, PURCHASER WILL NOT BE ABLE TO RELY ON THE IMPLIED WARRANTY OF HABITABILITY, DESCRIBED IN SUBPARAGRAPH (a) ABOVE, AS A BASIS FOR SUING THE SELLER OR AS THE BASIS OF A DEFENSE IF SELLER SUES THE PURCHASER.
